Dear Mr. Sloan,

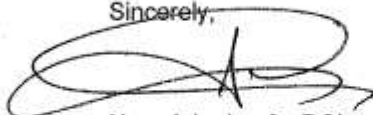

CONGRATULATIONS TO THE 10-20 PROJECT

On behalf of the Council of the Region of Queens Municipality I would like to congratulate you and the 10-20 team on your accomplishments over the past year.

The partnership between the South Queens Chamber of Commerce, the North Queens Board of Trade and the Region of Queens Municipality in creating and implementing the 10-20 Project to encourage our communities to support local businesses is a splendid example of community co-operation. I know you have all worked hard and your pleasure in working together comes across in the initiatives we have seen as the month's go by.

We wish you continued success with the project and thank you for your ongoing contribution to the local community.

Sincerely,

Hon. John Leefe, DCL
